How and when can I access the Urgent Care Centre?
The Urgent Care Centre has a separate entrance on Brock Street, just east of the hospital’s main entrance. It is open 8 am to 8 pm every day of the year for patients whose illness or injury is not life-threatening but serious enough to require prompt medical attention.

When and where can I get an x-ray done?
You can have a general x-ray done in our Diagnostic Imaging Department, 8 am to 6 pm, Monday to Friday. This is a walk-in service; you do not need to make an appointment. All other Diagnostic Imaging services (e.g., ultrasound, CT scan, mammography) require a pre-booked appointment.
